**Ozarks' Coin Club encourages coin collecting among the young people in attendance at the coin shows by issuing gift certificates as door prizes and game prizes. The club requires the dealers at the shows to accept these gift certificates in payment, however would discourage dealers from giving change if an entire gift certificate is not needed. The club treasurer will reimburse dealers for all certificates collected as each dealer is prepared to leave the show, by writing a check on the Ozarks' Coin Club account. A large amount of gift certificates are given away, therefore it is not safe or practical to keep enough cash on hand to reimburse dealers in cash. The club appreciates your cooperation in redeeming the gift certificates.**
